

Congratulations!!

“Nothing ever comes to one that is worth having, except as a result of hard work.”

The dedicated efforts of the students of class X at St. Xavier’s School, Rampura Phul bore fruit as the result proved once again, that hardwork pays off. A proud moment for the Xavierites as 69 students did exceedingly well and scored above 90%. The students who scored the highest percentage is Akshit Garg and Ritika scoring 97.4%, second position bagged by Drishti and Ashwin scoring 97.2% and 3rd position bagged by Lovish Bansal scoring 96.69%. Each year the school adds to its credit-**A cent percent result**. This has been made possible because of the sincere efforts of the students and dedicated team of experienced teachers who left no stone unturned to enable their students to reach this feat.

The Principal Rev. Fr. Dr. Ivon D’Almeida congratulated and applauded the students’ endeavours and appreciated the tireless efforts of the teachers. Furthermore, he wished the students the very best for all their future ventures.
